

## QuickMap April 2010 Upgrade

To install the **April 10** update (V7.4.148), insert the disk into your CD-ROM and run **Setup.exe**.

### **New** Here at last....what you have been asking for..... Document Ordering System (QuickMap V 7.4.148)

- Very easy to use
- No additional setup costs
- No ongoing registration fees
- No minimum monthly charges

As easy as...

**Step 1**

**Step 2**

**Step 3**

**get started**

- 1) Ensure you are running QuickMap V148
- 2) Click on Tools , **My Document Ordering Dashboard** and set up your prepay Account
- 3) Order your Guaranteed Titles or Survey Plans

Our aim is to provide this service **cheaper, faster** and **easier** than any other competitor excluding Landonline itself, with delivery options of between 15 minutes and 4 hours during normal business hours.

Check out our web page for details, prices, etc. <http://quickmap.co.nz/docorder.htm>

### Property Professionals..have you seen House Finder

Free to QuickMap® **SalesView** subscribers. Provides detailed descriptions and photos of properties advertised for sale. Includes current and **historical** listings for over 300,000 properties on the market.

If you have any questions, feel free to contact us 0800 14 5554, or email [support@quickmap.co.nz](mailto:support@quickmap.co.nz)
