

QuickMap August 09 Upgrade

To install the **August 09** update, **V7.2.138**, insert the disk into your CD-ROM and run **Setup.exe**.

New Feature

Make your map full screen - Hide your Layers Control Panel by double clicking on the arrow.

A single click on the arrow will return the panel to the screen.

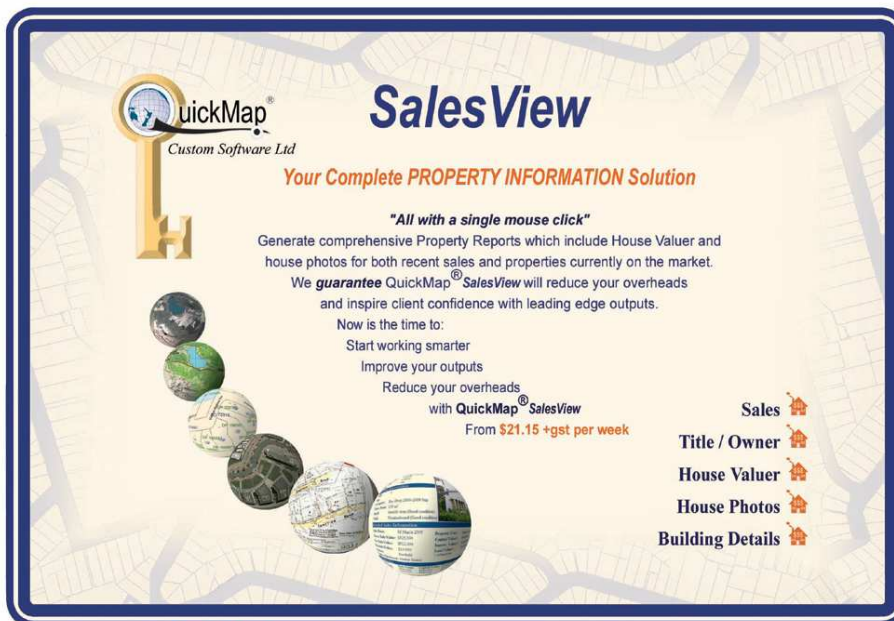

To use this feature, the Windows have to be docked (**View, Dock Windows**)

View the **QuickMap Presentation** from the recent Property Institute Conference. <http://quickmap.co.nz/>

A member of REINZ? You may be interested in our next release of QuickMap® SalesView. You can -

- Import **REINZ sales** into SalesView. This will allow you to update sales daily.
- Generate an estimate house value with **House Valuer**.
- Include **house photos** for both recent sales and properties currently on the market.

Contact us for a **Free Demo**. You must be a member of REINZ. Offer is valid till the end of August 2009.

QuickMap®
Custom Software Ltd
